Aboard the Delfin I, you will find our well stocked bar on the 3rd deck, in the same space as the outdoor observation and lounge area. Our experienced bartender, well schooled in the Peruvian and international art of drink preparation and presentation, is always happy to serve up your beverage of choice no matter the hour.

From our non-alcoholic selections, we offer water, teas, juices made of fresh regional fruits, coffee, sodas, and virgin cocktails. Our water, tea, and coffee station is always at your disposal; for other drinks, please consult the barman.

Our alcoholic options are almost limitless. On our bar menu, we offer top South American and international wines, pisco cocktails (including the famous Peruvian pisco sours and chilcanos!), cocktails made with premium brand liquors, Peruvian and imported beers, and more.

After excursions and throughout the day, there are also snacks available. Delight in some Peruvian favorites such as banana (*chifles*) and cassava (*yuca*) chips, or perhaps some refreshing succulent fruits!
